### Miromar Lakes' Own State Champion

Soaring across the finish line, Ava Povich, 18, of Miromar Lakes Beach & Golf Club, secured the State of Florida High School Track & Field Girls 1A 3200-meter Championship Gold Medal on May 17, 2023. What an achievement! However, great success is not new to the star athlete. Earlier this year she was named the Girls Inaugural State of Florida 3000m Indoor Track State Champion.

A recent graduate of Evangelical Christian School (ECS), Ava couldn't imagine the great distances her career would propel her to. Her devotion to track and field began in the 8th grade.

"Value relationships over accomplishments, and remember what matters most are the people you meet along the way." - Ava Povich

as her faithful training grounds. Running upwards of 45 miles a week, Ava has received support and cheers from countless neighbors.
